Re: Meeting on Employee Free Choice Act

Dear Ms. Michaels:

I am writing in an attempt to schedule a meeting with Senator Hagan to discuss the Employee Free Choice Act. I and many of my members have received responses from Sen. Hagan from previous letters we have sent thanking us for sending her “our thoughts on this important issue”. I hope that she is willing to meet with us to discuss these topics further.

I represent over 500 members with over 1800 branch offices in the Carolinas, representing thousands of concerned employees. ABC has five councils in North Carolina.

I understand the Senators schedule is hectic and finding time is often difficult, so I would like to offer that we will meet the Senator at her convenience, whether it is in Washington D.C., back home in the district or anywhere she can make the time to meet with us on this important issue.

You can contact me at any time via email at [dcarlson@abccarolinas.org](mailto:dcarlson@abccarolinas.org), on my cell at 704-607-2993, or at the office 704-367-1331.

Thank you in advance for your help.

Sincerely,

Douglas Carlson  
President & CEO
